

THE
MET

Non-profit Entertaining

Serving 6.3 million visitors annually, The Metropolitan Museum of Art is renowned not only for its incomparable collection, but its three unique locations: its grand landmarked building at Fifth Avenue and Central Park, the iconic Marcel Breuer-designed masterpiece The Met Breuer, and The Met Cloisters which showcases wonders of Medieval Europe through its art, architecture, and gardens.

The Metropolitan Museum of Art allows the use of its facilities for fundraising purposes and entertaining by 501(c)(3) nonprofits, excluding museums and art-related organizations.

A \$30,000 contribution to the Met grants an organization the opportunity to host one private event in selected gallery spaces when the Museum is closed to the public, Monday through Thursday, commencing at 6:30 pm.
