

2009–10

E D U C A T I O N

Webinars for Educators

Explore works of art and museum resources right at your computer through interactive online discussion and activities. Each live 75-minute session with Museum staff includes a range of activities that may be adapted for students. All participants receive digital classroom resource materials, as well as a recording of the session, which they may watch at any time or use with students.

Participants must have access to a computer with high-speed Internet access. A headset with built-in microphone is recommended for full participation.

For further information about teacher programs please call (212) 570-3985 or email teachers@metmuseum.org. To register, please fill out the Registration Request Form (see page 2). Enrollment for all programs is limited and on a first-come, first-served basis.

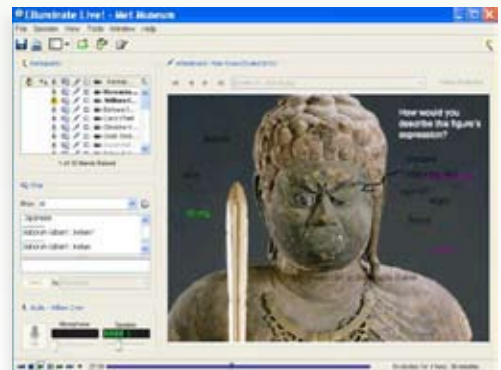

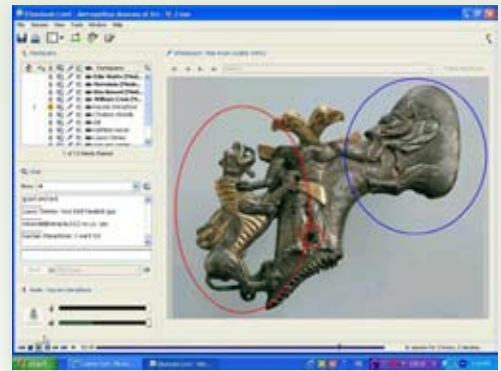

Fee: \$10 per session

Online Open Houses

These two events are **free of charge**, but require an RSVP via email. Please contact us at teachers@metmuseum.org and provide your name and name of your school.
